What to expect at the workshop

The workshop is held at Crossroads Christian Church in the Grand Hall (Parking lot D). The atmosphere is casual. Come as you are -- ready to learn. From 6-6:30pm, people sign-in, greet one another and begin to informally network. Others may practice their interview skills, or individual coaching can be arranged from any one of our volunteer team leaders. The classroom is set up with tables for eight, so sit where you like. At 6:30pm, we begin 2 1/2 hours of class time with an interactive lecture, which includes fun exercises and small group work aimed at one of several job seeker tools. There is a half-time break, too.

Materials for the workshop are \$40 and include a 200-page job seeker manual and the book, “Finding A Job God’s Way,” written by President and Co-founder of Career Solutions, David Rawles. The manual has all the PowerPoint slides, sample resumés and letters, worksheets, prayers, reference resources, inspirational stories and more.
